## ABOUT ME

*My Name is Affiku patience Julius, I am a registered Nurse with a degree certificate in beachelor of science of Nursing. I graduated from the school of Nursing Nigeria which I underwent the licensure examination and became a registered nurse, worked in the hospital from 2016-2019 which enabled me to be the best I could be and become a professional in the nursing field. Being able to create great communication and listening skills, provide excellent holistic care to my patients is a goal I always look forward to. Might I add i worked as nurse in pharmacy which ganered my vast knowledge on medication and best routes in case of an emergency.*

## EXPERIENCE

### Neonatal Intensive Care Unit and Pedia Nurse

2016/2017 Federal Medical Center  
Niger state,Nigeria

Developed excellent practice in the field which enabled me to care for my patients with my outmost understanding in the profession.

### Male medical ward

2017/2019 Federal Medical Center Niger State, Nigeria

I worked closely with doctors and my coworkers to provide care for my patients to the best of my ability which I administred medications in appropriate time as prescribed, bedbath and oral care was done with privacy and comfortability of my patients.

### Female, Gynecology/Obstetrician ward

2019/2020 Federal Medical Center Niger State,  
Nigeria

Served on Patient Safety Advisory Board to help establish and update safety standards.  
Ensured that all patient records were kept confidential.  
Provided pre-op and post-op assistance with surgical cases.  
Assisted with patient evaluations and made notes of physician instructions.
