08069318409 DISTRICT AREA, DEI-DEI, ABUJA.

OBJECTIVE

As a registered nurse with over 9 years of experience in different clinical area, my objective is to provide exceptional patient care through comprehensive assessments, timely interventions, and effective communication with healthcare team members. I am dedicated to utilizing evidence-based practices to improve patient outcomes and am committed to continuing education to stay current in the rapidly evolving healthcare field. I am seeking a position in a dynamic healthcare setting where I can apply my clinical expertise and passion for nursing to positively impact patient care and contribute to the success of the healthcare team.

PROFESSIONAL SUMMARY

- Highly compassionate and dedicated registered nurse with over 9 years of experience in providing exceptional patient care in surgical and acute care settings. Skilled in assessment, patient education, and medication management. Expertise in critical care nursing, including ventilator care, hemodynamic monitoring, and rapid response. Proven track record of collaborating with interdisciplinary care teams to achieve optimal patient outcomes. Strong communication and interpersonal skills. Seeking a challenging position in a dynamic healthcare organization that values patient-centered care and professional development.
