PROFILE SUMMARY

To be associated with a progressive organization that provides opportunity for a challenging and a rewarding career by applying knowledge, skills and potentials and to efficiently contribute my quota to the development and growth in any working environment. To contribute to a Medical Laboratory Science team as a Medical Laboratory Scientist who deserves the need of a diverse patient population while increasing my clinical role over time.

PERSONAL DATA

Sex: Female
State of Origin: Anambra
Data of Birth: 11th March, 1997
Religion: Christianity
Marital status: Single
Place of Residence: FCT, Abuja
Nationality: Nigerian

EDUCATION

National Youth Service Corps (NYSC) Ministry of Defence (Ship house).	Jul 2022 - Jun 2023
Bachelor of Medical Laboratory Science (B.MLS) Madonna University, Elele, Rivers state.	Oct 2014 - Aug 2019
West African Senior School Certificate Examination (WASSCE) Istan Comprehensive High School (ICHS)	Sept 2007 - Jul 2013
National Examination Council (NECO) Istan Comprehensive High School (ICHS)	Sept 2007 - Jul 2013
First School Leaving Certificate (FSLC) Istan Montessori International Nursery/Primary School.	Sept 2006 - Jul 2007

PROFESSIONAL EXPERIENCE

Medical Laboratory Scientist

Sept 2022 - June 2023

Ministry of Defence (Ship house).

- Collection of different body sample types for ascertaining diagnosis.
- Examining and analyzing body fluids, tissues and cells.
- Utilizing microscopes, cell counters, and other high- precision lab equipments.
- Ensuring quality control throughout the lab.
- Monitor testing quality and consult with other member of the healthcare system.
- Testing blood for drug levels to measure the efficacy or particular treatments.

NYSC COVID-19 PERSONNEL

Jul 2022 - Nov 2022

FCT COVID-19 Response Team

- Demonstrate effective and individualized communications about COVID-19 screening.
- Conducting COVID-19 screening exercise on the camp community.
- Compilation of COVID-19 test results.

Mar 2021 - Feb 2022

Federal Medical Center, Makurdi.

- Organizing and preparing samples, conducting tests using lab equipments and tools, and logging results data.
- Working in collaboration with other departments and carrying out routine laboratory procedures.
- Utilized basic molecular techniques, viral inactivation, RNA and DNA isolations, and gene amplification with RT-PCR to diagnosed and monitored infectious diseases.
- Operated and has a knowledge of various laboratory equipments such as the Midray Elisa plate reader, Abbot m2000sp, clover HbA1c, Roche cobas C311 auto analyser, Chemwell and Abbot architect c4000 chemistry analysers, spectrophotometers etc.
- Perfomed CD4 counts on HIV positive samples of patients undergoing anti retroviral therapy.
- Involved in the specialized laboratory units; Blood group serology, heamatology, chemical pathology, parasitology, medical microbiology, histopathology, CD4 count and Genexpert MTB/RIF departments.

Trainee

Jul 2020 - Oct 2020

De-Intergrated Medical Diagnostics and Research.

- Managing patient data inputs and operating data log-in.
- Assisting in laboratory operations and experiments under supervision of licensed laboratory staff.

Laboratory Posting

Oct 2016 -Apr 2019

Madonna University Teaching Hospital (MUTH)

- Theories on all laboratory rules and regulations.
- Use and management of laboratory materials and equipments.
- Guidelines on laboratory operations.

VOLUNTEER EXPERIENCE

- Participated as a volunteer Scientist personnel in the NYSC COVID-19 response team supervised by the Nigeria Center for Disease Control (NCDC) personnels.
- Participated in an outreach as a volunteer Scientist personnel with Nedeevah foundation.

SKILLS

- Active listening
- Communication skills
- Discretion and trustworthiness
- Critical thinking
- Time management
- Learning skills
- Safety awareness

LANGUAGE

- English and Igbo

INTERESTS

- Touring
- Arts and games
- Researching

CERTIFICATION

- NYSC FCT COVID-19 CORPS RESPONSE TEAM
- Nedeevah foundation certificate or appreciation

PROFESSIONAL AFFILIATION

- Member - Medical Laboratory Science Council of Nigeria (MLSCN)
- Association of Medical Laboratory Scientists of Nigeria (AMLSN)

REFEREE

- Available upon request.
