- ✓ **WASSCE, Ecwa High School Keffi, Nassarawa State, Nigeria – June, 2019**  
(3 Distinctions and 6 Credits, including: Mathematics, English Language, Chemistry, Biology, and Physics)

## PROFESSIONAL CERTIFICATIONS

- ✓ Certificate in Family Planning – NKST Hospital Mkar, Gboko, Benue State - January, 2024

## WORK EXPERIENCE

### 1. Community Based Clinical Experience at Bethany Medical Centre Gboko

**Duration:** September 2023 – October 2023

#### Responsibilities:

- ✓ Delivered comprehensive primary healthcare services, including preventive care, health education, and disease management, to community members.
- ✓ Collaborated with community partners, assessed health needs, and promoted wellness through proactive interventions in a primary care setting.

#### Achievements:

- ✓ Improved community health outcomes by implementing targeted health promotion initiatives and delivering accessible, patient-centered primary healthcare services.
- ✓ Fostered strong community relationships, increasing healthcare access and engagement, resulting in a healthier and more resilient population.

### 2. Psychiatric unit Clinical Experience at Federal Medical Centre Makurdi

**Duration:** May 2023 – June 2023

#### Responsibilities:

- ✓ Conducted comprehensive mental health assessments, implemented therapeutic interventions, and collaborated with medical teams to develop and execute individualized treatment plans for patients with psychiatric disorders.
- ✓ Maintained a safe and therapeutic environment, closely monitored patients' mental health status, and facilitated psychoeducation to promote mental well-being.

#### Achievements:

- ✓ Excelled in conducting comprehensive mental health assessments, adeptly implementing therapeutic interventions, and collaborating seamlessly with a multidisciplinary team to develop and execute individualized treatment plans for patients with psychiatric disorders, leading to improved patient outcomes and well-rounded psychiatric care.
- ✓ Successfully maintained a safe and therapeutic environment within the psychiatric unit by vigilantly monitoring patients' mental health status, skilfully facilitating psychoeducation initiatives, and fostering an atmosphere conducive to mental well-being, ultimately contributing to the overall positive mental health outcomes of patients under care.

### **3. Obstetrics and Gynaecology Clinical Experience at Benue State University Teaching Hospital Makurdi**

**Duration:** April 2023 – May 2023

**Responsibilities:**

- ✓ Provided comprehensive care to pregnant women, including prenatal assessments, monitoring foetal development, and assisting during labor and delivery.
- ✓ Managed gynaecological care by performing examinations, educating patients on reproductive health, and supported individuals through various women's health issues and procedures.

**Achievements:**

- ✓ Excellently provided comprehensive care to pregnant women, showcasing proficiency in conducting thorough prenatal assessments, closely monitoring foetal development, and actively participating in the labor and delivery process, contributing to positive maternal and neonatal outcomes.
- ✓ Administered gynaecological care by adeptly performing examinations, delivering impactful patient education on reproductive health, and providing compassionate support through a range of women's health issues and medical procedures, fostering a patient-centered approach and enhancing overall women's healthcare experiences.

### **4. Accident and Emergency Clinical Experience at Benue State University Teaching Hospital Makurdi**

**Duration:** October 2022 – December 2022

**Responsibilities:**

- ✓ Swiftly triaged, assessed and provided immediate care to patients with acute illnesses or injuries.
- ✓ Administered medications, documented patients' information accurately and maintained clear communication to ensure effective and timely emergency interventions while adhering to strict protocols.

**Achievements:**

- ✓ Demonstrated exceptional efficiency in triaging and assessing patients with acute illnesses or injuries, consistently delivering prompt and effective care that contributed to positive patient outcomes and minimized response time in critical situations.
- ✓ Successfully administered medications, maintained meticulous documentation of patient information, and upheld clear communication practices, ensuring seamless collaboration within the healthcare team and adherence to strict protocols, thereby enhancing the overall effectiveness of emergency interventions.

### **5. Surgical Unit Clinical Experience at Benue State University Teaching Hospital Makurdi**

**Duration:** March 2022 – May 2022

**Responsibilities:**

- ✓ Provided pre-operative and post-operative care including monitoring pre and post-operative vital signs, administered medications as prescribed and wound dressing.
- ✓ Developed and implemented individualised nursing care plan for the patients.

**Achievements:**

- ✓ Successfully managed and monitored pre and post-operative patients, consistently ensuring accurate vital sign assessments, precise administration of prescribed medications, and proficient wound dressing techniques, contributing to enhanced patient recovery and safety.
- ✓ Developed and implemented tailored nursing care plans for patients, showcasing a commitment to personalized healthcare and fostering positive patient outcomes through a comprehensive and individualized approach to nursing

### **6. Medical unit clinical experience at Benue State University Teaching Hospital Makurdi**

**Duration:** April 2021 – May 2021

**Responsibilities:**

- ✓ Provided compassionate patient care, administered medications, and monitored vital signs in the medical unit to ensure optimal well-being of patients.
- ✓ Collaborated with Healthcare teams to develop and implement Care Plan for efficient healthcare delivery.

**Achievements:**

- ✓ Enhanced patient outcomes by implementing evidence-based practices, fostering a healing environment, and prioritizing patient safety in the medical unit.
- ✓ Demonstrated effective communication, teamwork, and adaptability, contributing to a positive work culture and successful patient-centered care

**SKILLS & TOOLS:**

1. **MS Office Applications (Word, Excel, Access and PowerPoint):** Proficient in MS Office Applications for efficient document creation, data analysis, database management, and dynamic presentations.

**LEADERSHIP EXPERIENCE**

- ✓ Red House (Hostel) Prefect – Ecwa High School Keffi, Nassarawa State, Nigeria (2018/2019 Academic Session)

**LANGUAGE SKILLS:**

- ✓ **English:** Fluent (speaking, reading, writing)

**EXTRA-CURRICULAR ACTIVITIES:**

- ✓ Physical fitness.
