AHMADU BELLO UNIVERSITY TEACHING HOSPITAL

APR, 2021 MAR, 2022

HOUSEMANSHIP

As a junior doctor training in ABUTH hospital, I am the first to come in contact with patients in various departments, including Medicine, Pediatrics, Obstetrics, Gynaecology and surgery. I had rigorous training in all aspects of healthcare which aimed to prepare me for the medical field. I was part of the team tasked with stabilizing patients in emergencies, prescribing medications, taking history, examining, collecting blood samples and making plans to manage the patient under the guidance of residents or consultants. As a result, I have acquired the necessary skills to manage common diseases in our setting.

GARKI GENERAL HOSPITAL

JUL, 2017 — SEP, 2017

STUDENT ELECTIVE

I attended my student elective at GARKI GENERAL HOSPITAL, ABUJA, where I participated in monitoring patients and gathering necessary experience. In addition, I attended an outpatient clinic and assisted with routine physical examinations and specimen collection.
