WORK EXPERIENCE

INTERN NURSE/Adaptation | General Hospital, Asubiaro, Osogbo, Osun state | 2022 – Present

- Monitor patient's condition and assess their needs to provide the best possible care and advice.
- Assessment and evaluation of pre- and post-op clients in Medical and Surgical Wards.
- Communicating effectively with multidisciplinary team to develop treatment plans on all aspects of patients care from admission to discharge.
- Provided patient education on lifestyle changes for preventing and/or treating chronic conditions.
- Organize monthly patient education events for the community that center on a variety of health topics, including nutrition, puberty, diabetes, heart disease, and sports injuries.
- Inspect the facilities and act to maintain personal hygiene and safety (decontaminating equipment, sanitizing surfaces, preparing beds, etc.)

STUDENT NURSE | LAUTECH Teaching Hospital, Osogbo, Osun State | 2020

- Provided patient centered evidence-based practice which included creating schedules and ensuring all patients were handled according to clinic guidelines.
- Assisted medical personnel in providing the best patient care, including creating treatment plans with high compliance rates.
- Ranked highest in patient satisfaction scores over a course of several months and continually achieved higher than 95 percent on patient satisfaction surveys.
- Basic understanding of equipment uses, proper documentation and record keeping on the computer.

Student Nurse | Community Posting at Goshen Hospital, Bacita, Kwara State | 2019

- Managed patient cases, ensuring that there was a continuum of care between physicians, specialists, and other practitioners.
- Closely monitored vital signs, administration of medications and wound dressing.
- Reviewed patient charts to have an accurate understanding of health history and current treatment protocols for enhanced care.
- Carried out nursing procedures and management of patients in the obstetrics and gynecology department of the hospital, ante-natal clinic, labour ward, post-natal ward and neonatal intensive unit care.

Student Nurse | Neuropsychiatric Hospital Aro, Abeokuta, Ogun State | 2018

- Reviewed medical history of long-term facility psychiatric patients, perform thorough physical exams, formulate diagnosis, order appropriate tests and prescribe medications.
- Worked closely with psychiatric providers for patients with Alzheimer's and dementia.
- Track schedule of patient well checks and annual physicals to perform resident tests and assessments toward enhanced and ongoing wellness.

Student Midwife | General Hospital, Asubiaro, Osun state | 2017

- Reviewed obstetrics and gynecology histories, performed physical examinations, ordered labs and other diagnostic tests.
- Utilized lab results to provide patients with wellness plans or treatments for discovered and diagnosed ailments, deficiencies or imbalances.
- Educated patients and their families regarding tactics for improved wellness and betterment of health.
- Managed over 150 pregnant women every week.

Student Nurse | Ibadan University Health Service Clinic, JaJa | 2015-2016

- Applied and remove casts, sutured soft tissue injury and changed dressing.
- Provided direct medical care, consultation, coordination, and referrals for a diverse multigenerational patient population with a wide range of clinical issues.
- Tracked and documented patients' status and needs through patient interviews and chart reviews.
- Worked in the orthopaedic ward, paediatric ward, medical ward and surgical ward where I engaged in nursing procedures to bring about wellness.
