PROFESSIONAL SUMMARY

I am an experienced and compassionate Registered Nurse with a solid background of over 2 years, dedicated to providing exceptional patient care. My strengths lie in proficiently assessing, planning, and implementing nursing interventions, collaborating seamlessly with interdisciplinary teams to achieve the best possible outcomes for patients. I take pride in my excellent communication and interpersonal skills, ensuring patients and their families feel at ease and supported throughout their healthcare journey. In fast-paced environments, I remain adaptable and composed, effectively handling emergent situations. My commitment to continuous learning and evidence-based practice drives me to enhance my nursing skills continually. I am enthusiastic about joining a dynamic healthcare team, where I can contribute my expertise and passion for quality care.
