

CURRICULUM VITAE

NWOKIEA CHUKWUMA OBINNA (MD) (MBA)

20-10-1989, Male, Imo state, Nigeria

SUMMARY

I am an experienced and highly energetic leader, business manager and physician who is able to drive profitability improvement through strategic growth, waste elimination, and quality enhancement.

I have the ability to multi-task well and work quickly and perform effectively under pressure and take criticism in a constructive manner without getting defensive or discouraged. Am also willing to be pushed and want to grow and succeed both personally and professionally paying strong attention to detail. I have had a long track record of successfully directing the execution of tactical operating plans and in the past i have worked with some of the worlds most respected and recognizable associations.

Right now am looking for a suitable position where i can lay down my ideas in a high-growth company and hospitals that offer opportunities for advancement and mutual growth.
