HAJARA ADAMU BALANTI

PERSONAL PROFILE Knowledgeable medical doctor with over 4 years of practice experience in providing medical care to patients in emergency and resource constrained settings. Strong focus on listening to and addressing patient concerns and answering all questions in terms they understand. Dedicated to exemplary patient outcomes and following all necessary medical procedures with the use of latest industry equipment and technology.

OBJECTIVE To serve humanity and to acquire the limitless clinical experience and knowledge for self-improvement in provision of efficient and effective healthcare services. A very trainable, determined fast learner who is eager to acquire new skills and understand the dynamics of clinical medicine in order to attain professional distinction, proficiency and personal development.

SKILLS & ABILITIES

- Maintain accurate electronic medical record (EMR) of all services given to patients under strict confidentiality.
- Highly organized; I'm able to keep appointments, records and patient details in order.
- Ability to quickly and properly diagnose patients' conditions in emergency situations to ensure they receive the treatment they require as soon as possible under controlled conditions.
- Detail oriented, which limits mistakes made in patients' management.
- Proven and effective communication skills with patients, families and other medical professionals.
- Leadership abilities to lead and manage practice staff in providing patients with quality care.
- Willingness to work with all members of the medical team and listen to suggestions and input to improve results and maximize patient satisfaction.
