Summary

Dedicated Physician Harnessing Contemporary Expertise to Elevate Patient Wellness. Harnessing contemporary expertise to elevate patient wellness, I am a hardworking physician committed to proactive strategies that drive positive health outcomes. Proficient in managing a diverse caseload and leading support staff, I strive to maximise the impact of healthcare delivery.

Work experience

Medical Officer

2023-08 - present

Green Acres Hospital, Sunnyvale Homes, Abuja

- **Delivered Exceptional Patient Care Excellence:** Rendered exceptional patient care, both for in-patients and out-patients, with an unwavering commitment to precise and prompt assessments and diagnoses.
- **Conducted Comprehensive Physical Assessments with Empathetic Communication:** Executed thorough physical examinations while prioritizing transparent communication with patients, ensuring their comfort and addressing their unique needs.
- **Championed a Patient-Centered Approach:** Demonstrated a resolute commitment to patient-centered care, exemplified through compassionate attention and unwavering adherence to the highest medical standards.
- **Optimised Care and Confidentiality through Administrative Proficiency:** Drove administrative processes to ensure optimal patient care and the utmost confidentiality in managing patient records.

General Practitioner (NYSC)

2023-02 - 2023-07

Primary Healthcare Board Kaduna North

- **Engaged in Vital Medical Outreach Initiatives:** Actively contributed to impactful medical outreach programs.
- **Empowered Communities through Educational Seminars:** Led engaging community seminars focused on disease prevention and control.
- **Delivered Vital Health Screenings to Diverse Communities:** Administered essential blood pressure screenings and health assessments across diverse communities

General Practitioner (NYSC)

2022-08 - 2023-01

Mends Specialist Hospital and Aviation Medical Centre

- **Collaborated in Surgical Procedures and Executed Medical Techniques:** Played a pivotal role in surgical procedures and proficiently executed a wide array of medical techniques.
- **Empowered Patients Through Comprehensive Education and Counseling:** Delivered comprehensive patient education and counseling encompassing health status updates, test results, disease insights, and discharge planning strategies.
- **Managed Diagnostic Processes and Treatment:** Orchestrated diagnostic tests, examinations, medication prescriptions, and therapeutic interventions to optimize patient care.
- **Maintained Precise Electronic Health Records:** Ensured meticulous record-keeping by accurately documenting patient information within electronic medical record systems.
- **Steered Critical Care Interventions:** Took charge of critical care management, excelling in handling cases of sepsis, cardiac and respiratory failure, sedation protocols, and meticulous hemodynamic monitoring.

Medical Intern

2021-03 - 2022-03

Murtala Muhammad Specialist Hospital, Kano, NG

- **Immersed in Multidisciplinary Medical Specializations:** Actively shadowed renowned medical specialists across diverse departments, including Internal Medicine, Obstetrics & Gynecology, Pediatrics, and Surgery.
- **Proficiently Gathered and Analyzed Patient Information:** Systematically collected patient data, meticulously recorded medical histories, and expertly analyzed lab results to aid in accurate diagnosis and treatment planning.
- **Hands-On Experience in Medical Procedures and Surgical Assistance:** Gained practical experience by performing common medical procedures and providing valuable support in surgical settings.

- **Guardian of Patient Records and Confidentiality:** Maintained and safeguarded patient charts with an unwavering commitment to confidentiality and privacy.

MDCN Exam Tutor

2020-11 - 2021-01

Acemedix Academy (Kano Branch), Kano, NG

- **Customised Curriculum Development:** Tailoring comprehensive curricula to meet the specific needs of each candidate, recognising their unique strengths and areas for improvement.
- **Pedagogical Excellence:** Employing effective teaching methodologies, including lectures, practice exams, and interactive sessions, to facilitate a deep understanding of medical concepts and exam strategies.
- **Individualised Coaching:** Providing personalised guidance, feedback, and support to foster academic growth and confidence among medical doctors seeking MDCN certification.
- **Mentoring and Motivation:** Offering mentorship, motivation, and emotional support to alleviate the stress associated with high-stakes medical examinations.
- **Monitoring Progress:** Continuously assessing candidates' progress through mock exams, quizzes, and one-on-one evaluations to ensure readiness for the MDCN assessments.
- **Achieving Success:** Guiding numerous candidates to successfully pass the MDCN examinations, thereby facilitating their integration into the Nigerian medical community and contributing to the enhancement of healthcare standards in the country.
