PROFESSIONAL STATEMENT

I am a dedicated Nurse currently engaged in my National Youth Service. I hold a Bachelor's degree in Nursing Science from Niger Delta University, Bayelsa State. My areas of interest lie in critical nursing care, peri-operative care, community nursing and health promotion. I am proficient in history taking, nursing diagnosis, and crafting effective nursing plans to ensure patients' well-being and promote recovery. I actively volunteer with charity and non-profit organizations during my free time, enhancing my teamwork skills and further contributing to my professional growth. In the longer term, I hope to pursue an advanced degree in anesthetic nursing at a notable citadel of learning.
